DETAILED ACTION

Allowable Subject Matter

Claims 1-31 are allowed.

The following is an examiner's statement of reasons for allowance: prior art does not teach nor render obvious a modulated power supply that has, in combination with other limitations, a controller is arranged to operate only the primary power switching device while a property of the input signal lies within a first predetermined range and to operate both the primary power switching device and the secondary power switching device while the property of the input signal lies outside the first predetermined range.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. US006636112B1, US006836231B2, and US004673888 A contain some limitations of the claimed invention.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Patricia T Nguyen whose telephone number is (703) 308-1927. The examiner can normally be reached on 6:30 AM - 5:00 PM.
